Dear Parents and Carers,

Due to the forecast of exceptionally high temperatures this week, we have made the decision to cancel all planned trips and off-site visits.

The safety and wellbeing of our children and staff is always our highest priority. Extreme heat can increase the risk of dehydration, heat exhaustion, sunburn, and other heat-related illnesses, particularly when children are spending extended periods outdoors or travelling.

After carefully considering the weather forecasts and the nature of the planned activities, we believe it is safest for pupils to remain on site, where we can provide shaded areas, regular hydration opportunities, and a cooler environment throughout the day.

We understand that pupils may be disappointed by this decision, but we are sure you will appreciate that it has been made with their health and safety in mind.

We are planning some fun activities in school for the children. We will email with more details about this later today.

Thank you for your understanding and support.

Yours sincerely,
