Dear Parents/Carers,

This half term is a really important time for children as we begin to discuss 'moving on' this can be to new teachers, year groups or to a new school.

Every child is different and some see this time as exciting and a new adventure and for some children they are more anxious and apprehensive about the changes. We know our children well and have planned a series of activities and events to support them. Some children will require more opportunities to visit new classes and teachers and this has been planned in for them.

Please see below a list of some of the events planned during the last seven weeks of term.
